

## PDF FORM WITH TEXT MANIPULATION FUNCTIONS

<b>Name:</b> (First, Middle, Last)	
When the name is entered and clicked anywhere outside the field, It automatically changes to title case irrespective of the case entered. That is the first letter of each word is converted to upper case	
<b>Initials:</b>	
When full name is entered (First Name, Middle Name, Last Name), it automatically generates the initials by taking first letter of each name.	
<b>Name:</b>	
When the name is entered and clicked anywhere outside the field, It automatically changes to upper case irrespective of the case entered.
